NEWS BRIEF

GLOBAL LOVE DAY

We honor each **May 1st** as a symbolic day of unconditional love.

*We are one humanity on this planet.
All life is interconnected and interdependent.
All share in the Universal bond of love.
Love begins with self-acceptance and forgiveness.
With respect and compassion, we embrace diversity.
Together we make a difference through love.*

Love and Peace Begins with Me

Especially in this year of a worldwide pandemic,
let us embrace our global family in
the spirit of love, compassion and kindness.
