

A watercolor illustration of two hands, one larger and one smaller, holding a heart. The heart is decorated with a globe pattern in shades of blue, yellow, and orange. The background is a soft, light blue sky with wispy clouds. The hands are rendered in white and light blue tones.

We invite you to celebrate with us
the infinite outpouring of Jesus' love to every heart :

- ♥ that broken hearts may be healed ♥
- ♥ that hearts hardened by violence may be penetrated by kindness and care ♥
- ♥ that grieving hearts may know gentle, embracing presence ♥
- ♥ that every heart may be honored with the dignity the creator intends ♥

May each experience God's infinite love and
"be love" to all.
