

Greetings of Love from Sacred Heart Province.

As we celebrate Valentine's Day
we are mindful of love.

Love is mostly about connection –
respectful, well-intentioned, perhaps affective, connection.

In the spirit of that love, we connect with you,
heart to heart, together in God's sacred heart of LOVE.

Let us bask in the richness of Love, of each other's Love.

Allow that connection to make a positive difference in us
and in this awesome world we share.

This is our blessing for you, for all.

Happy connecting heart ♥ heart!
