

A Lenten Message...

Let us consider...

"For creation waits in eager expectation ... in hope that the creation itself will be LIBERATED from its bondage to decay and brought into the glorious freedom of the children of God." (Romans 8:19, 21)

In his introduction to *Laudato Si*, Pope Francis says

"The urgent challenge to protect our common home includes a concern to bring the whole human family together to seek a sustainable and integral development, for we know that things can change. The Creator does not abandon us; he never forsakes his loving plan or repents of having created us. Humanity still has the ability to work together in building our common home." (LS #13)

During this Lenten Season...

From what bondage am I praying to be freed of?

Where do I need to be converted...changed?

How am I working to participate in the freeing of Mother Earth from her bondage in the current crisis?
