

Feast of St. Elizabeth of Hungary

May your life be rich in your ministry to others.

Saint Elizabeth was born and wed into European royalty. Although she lived a privileged life she spent her wealth and her time working with the sick and the poor. Saint Elizabeth of Hungary built hospitals and gave bread to the poor and for these acts she is the patron saint of hospitals, nurses, bakers, brides and the homeless.

Dear Saint Elizabeth,

You were always poor in spirit, most generous toward the poor, faithful to your husband, and fully consecrated to your Divine Bridegroom. Grant your help to widows and widowers and keep them faithful to their heavenly Lord. Teach them to make use of their time in the service of God our Lord. Amen.
