

the Power of Love

“God, open our hearts to the Christ of Christmas.
Instill in us the desire for truth.
Grant us righteousness, justice,
the peace of purity, and the light of hope.

Give us vision above our failures
and forgiving spirits for healing.

Where there is hunger, supply nourishment;
Where there is fear, give courage.
Break down evil desires with your **power of love**,
and close doors of hate.

Water the seeds of compassion for those in need,
that we, also, may grow in grace.

And for the song in our hearts,
we give you praise !!”

Alleluia, Alleluia!
