Sr. Liz Fuhr would like to make you aware of the wonderful Franciscan zoom lectures available each month from the Franciscan School of Theology in San Deigo. You can register at [Franciscan Zoom Lecture Registration #1 \(google.com\)](https://www.google.com) . She wants to invite you also because next month she will be participating in the zoom lecture Thursday, February 3, 2022, 7:00 pm. The theme: Song of Brotherhood and Sisterhood: Contemplation, Identity, and Advocacy. It will be talking about the Canticle, nature as healer, and our role as Franciscans to be advocates for Mother Sister Earth. She would greatly appreciate your prayerful support and your attendance because no one will recognize her name and she wants some attendance (☺ please). She finds the lectures make her want to share the

wonderful Franciscan charism of which we are bearers. The past zoom lectures by many well-known Franciscans are available at [Franciscan School of Theology - YouTube](#) . Thank you, my sisters.
