

Blessings on Foundation Day 2022

from Sacred Heart Province

May 10, 1835

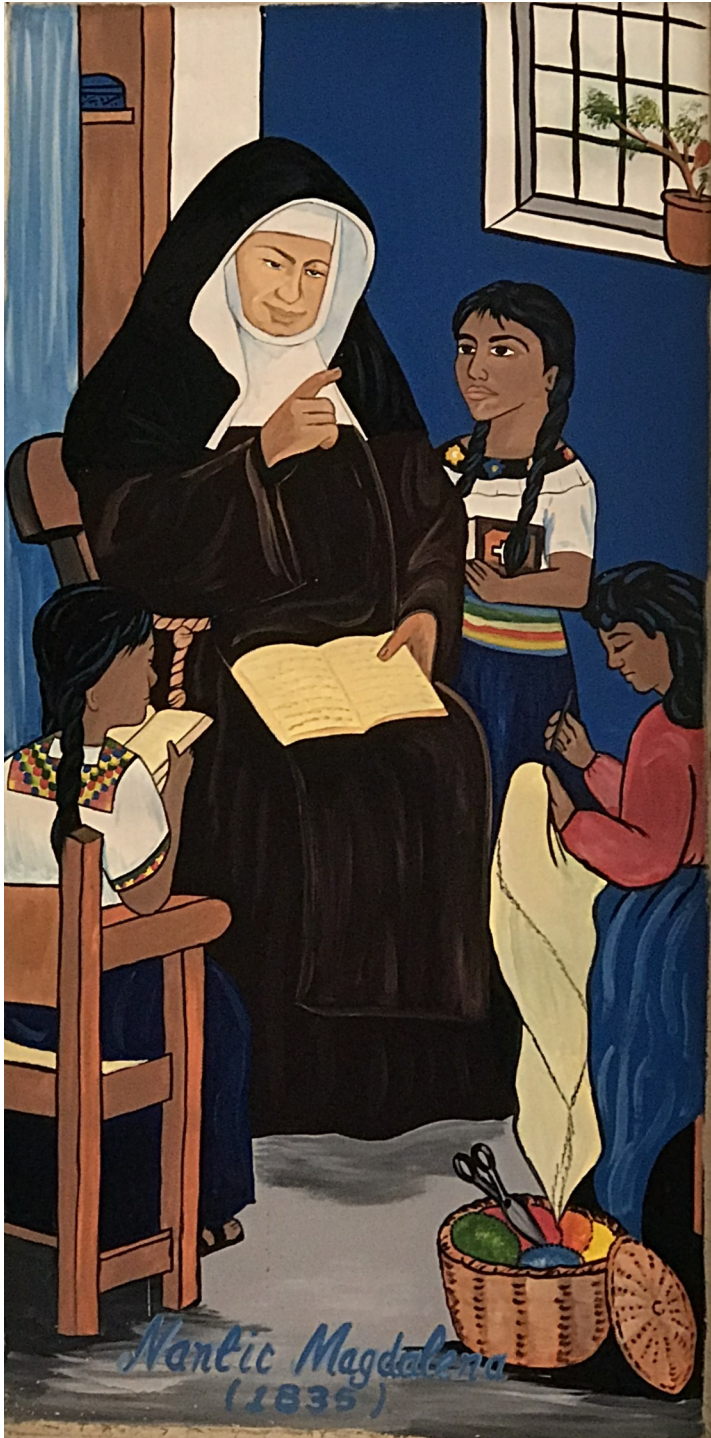

Bishop 's Van Bommel response upon Catherine's request
to found the Congregation;

"I really do not know what withheld me;
I received her with a firm resolve to refuse her.
I do not see that the affair has made any progress,
or that there is any prospect for the future.
Yet I felt myself unable to gainsay her.
Let her begin and carry out what God inspired her to do."

Mother Magdalen

"Let us live as true children of St. Francis."

"God is so very very good, God will provide."
