SISTERS OF ST. FRANCIS
NEWS BRIEF

April 1, 2022 (no fooling!)

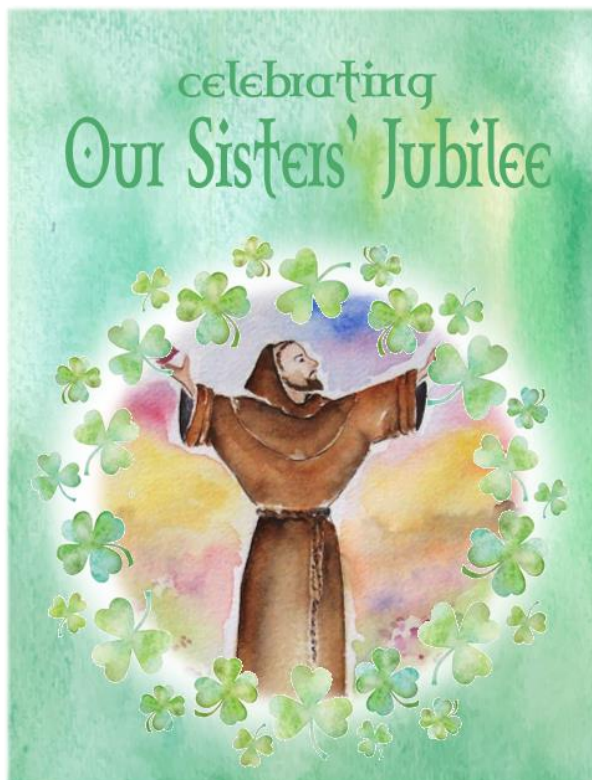

EARTHCARE:

"Earth Day is every day" and is honored in a special way on April 22" (origin of Earth Day).

"Because there was no EPA, no Clean Air Act, no Clean Water Act. There were no legal or regulatory mechanisms to protect our environment. In spring 1970, Senator Gaylord Nelson created Earth Day as a way to force this issue onto the national agenda" Internet.

ACTION: How do you wish this spring to birth with our "Earth MAMA"? Maybe a spiritual practice of contemplating beauty in creation and absorbing the great creative Love. What is springing up in you? Share with at least one person. Earthcare Committee
