SACRED HEART ‘COMMUNITY’ CHAPTER RESULTS:

The results of the XVIII Provincial Chapter of Sacred Heart Province, held in Westminster, Colorado, USA, from July 10 – 16, 2022, is historic for these Sisters and significant for the Congregation. **Please see the attached official letter with more information.**

At the Chapter of elections, with Sister Rita Ann Cammack, General Minister, presiding, the following Sister was elected Community Minister for a term of 4 years:

Community Minister:	Sister Susan Artone-Fricke
Date of Profession:	August 15, 1987
Date of Birth:	December 3, 1956

Following their new Community Statutes (with support of the General Council), the Community made the decision to elect only the Community Minister who will then appoint her two Councilors. These will be selected in the near future and the outcome shared with you. *Sr. Rita Cammack*

Sister Sue, may your term be a blessing for you, your Sisters, and the world that you serve!

Sacred Heart Community would also love to extend their gratitude for all those who served in leadership anytime during the previous chapter, which started in 2015: Sisters Rita Cammack (General Minister) Provincial Minister, Sarah Manchester, Vicar; along with councilors: Leandra Schaller, Patty Podhaisky, Alicia Cuarón, Gloria Shuffer.

Well done good and faithful servants.

Thank you all for your prayers during these days, weeks, months ... Our good God is certainly “doing something new” with the Sisters of Sacred Heart Community.
Sr. Rita Cammack
