THANK YOU:

The Medical Mission Team arrived home safely from Palenque, Chiapas, Mexico, last Saturday. They want to thank you for your prayers and said it was an amazing experience to be working out of the "Clinic in a Can". They ministered to approximately <u>700 patients</u> during the week, and this included lab work, x-rays, etc. It was a collaborative endeavor with the sisters, the medical staff at the Clinic, and the medical team! What a gift!
