On the Feasts of the

Sacred Heart of Jesus.

and

Sacred Heart Community.

we offer you our love and prayer ...

O Sacred Heart of Jesus, source of all creation and Healing.

You have loved us from all eternity and blessed us all of our lives.

Now we pray for the grace to love you as you love us.

Please increase within us Your gifts of faith, love, hope, and peace.

We offer You our hearts ... wounded by sin, cripped by unkindness ...

You are powerful, God, to make us whole again.
